QUALIFICATIONS

Mr. Bartolovitch began his career with The Douglas Company in 2008 as a Project Coordinator progressing to Project Estimator, then Senior Estimator, was later promoted to Chief Estimator, and has since earned the position to Vice President of the Southeast Region.

As Vice President, Mr. Bartolovitch is directly responsible for all operations in the Southeast Region. He is a fully engaged leader who has proven his capabilities in leadership, project management, purchasing, supervision, scheduling, project cost estimating, effectively communicating with owner's, architect's, and subcontractor's, maintaining positive client relationships, and the ability to complete projects successfully on schedule and within budget.

Mr. Bartolovitch currently serves as a member of The Douglas Company's Executive Committee establishing company policies and participates in the development of company strategies and objectives.
